The Region is currently evaluating the Fee Reduction Pilot and two months' notice will be provided should the reduction not continue into 2020. The Pilot is funded by the Province of Ontario and the Government of Canada.
- Fees are due on the first of each month and are paid through Pre-authorized Debit.
- The full monthly fee is withdrawn regardless of the number of days in the month, absenteeism, vacation, inclement weather, school closure and/or statutory holidays.
- If circumstances make it necessary to withdraw your child from the centre for any reason two months notice from the final date of attendance is required in writing to the Executive Director or Manager. If you are unable to provide this notice your \$500.00 registration fee will be forfeited. Payment is required for the full monthly fee for the month in which the final date of attendance occurs.
